## B Banned P Parenthood

### A Poisoned Cup and a Wreath of Dead Roses

*“You cannot drink the Cup of the Lord and the cup of demons. You cannot partake of the Table of the Lord and the table of demons” (1 Corinthians 10.21)*

## Planning your parenthood?

How many babies, we wondered, are actually — and deliberately — born at the 600+ Planned *Parenthood* “Health Centers” around America each year? After all, they advertise themselves as somehow helping *parenthood*, right? — and parenthood, of course, comes with having children.

Despite their founder’s notorious association with the notion of "Eugenics" It *may* be the case that some women go to Planned Parenthood to have their babies delivered, right? I mean, alive? Right? After all all, they claim to be a “health care provider” of “reproductive services.” that “delivers vital sexual and reproductive health care.” What does “reproductive” mean, anyway?

Let’s look: “relating to the production of new life” Cambridge Dictionary <https://dictionary.cambridge.org/us/dictionary/english/reproductive> The Cambridge Dictionary is a pretty unimpeachable source for the English language, yes?

Well, oddly enough, here are the numbers we were able to find: 0

This is not surprising after all, as we had noted elsewhere:

“*The discredited “science” of eugenics was vigorously espoused by Margaret Sanger — the founder of Planned Parenthood, the largest abortion provider in America — and was implemented in America<sup>3</sup> long before it was imported from America by Nazi Germany where it was subsequently legislated into the *Nürnberg Gesetze* or the *Nurnberg Laws* that resulted in the deaths of tens of millions of Jews, Slavs, and other “racial inferiors.” ”<sup>1</sup>*

## **You cannot put Christ aside ... ever**

*You cannot*, in your subtleties, profess Christ today — and disavow Him tomorrow,

... with the same hands, quaff the Blood of Christ — and spill the blood of children,

... on the same tongue, receive His Sacred Body — and crucify it again in His little ones,

... with the same lips profess Christ — and then deny Him,

... with the same voice affirm life — and clamor for death,

... with the same ears profess to hear the cry of the poor — and be deaf to the cry of the unborn,

... inscribe your name in the Book of Life — as you enroll children in the Book of Death.

**St. Paul said it: “You cannot drink the Cup of the Lord and the cup of demons.” (1 Corinthians 10.21)**

Your pact with sin and death sealed in the lives of children is a cup of poison raised up to the throat of demons — and you yourselves quaff it each time and in whatever way you promote abortion, each time that you accept as “moral,” the *vivisection*, the dismemberment and death of children under the hands of “Doktors” who make a handsome “living” off of *killing* children, plundering the wombs of women to enrich themselves and their *own* children who never felt the blade of their scalpels. Do you think this harsh?

You think that you can equivocate with God and broker your own salvation on terms of your choosing, because you have equivocated with the world and leveraged your power against the little and the innocent.

You make God to be a fool.

That is a terrible pronouncement.

Do you think that what you do this day will not “echo in eternity”? It will echo endlessly, it will multiply itself into the lives — *and deaths* – of countless generations ... that *you* have been such a fool!

... but not for Christ.

A cup is set before you today. And a wreath, a laurel, of victory.

You must choose the cup and the victory: life over death — or death over life.

Today choose Christ. Choose the *Crown of Life*, the *Cup of Salvation*.

Be deemed a fool for Him.

Better a jester in the Court of God, than a King in a Court of Fools.
